

FTTH Council Member Newsletter

Special Issue: 06/2012**March 2012****General Assembly Amsterdam**

Results of Elections

The General Assembly in Amsterdam, 28-29 March, was a success. More than 50 members participated in this two days event, which included workshops, committee meetings, the presentation of the 10th anniversary FTTH Conference, 2013 – London, as well as reporting and discussions about the strategy and working plan 2012.

Strategy, working plan and budget 2012 were approved by the members.

The results of the elections for committee chairs and board members:

Committee Chairs:

Joeri Van Bogaert, Belgium, Chair of the Business Committee

Ana Pesovic, Belgium, Chair of the World of Applications Committee

Wolfgang Fischer, Germany, Chair of the Deployment & Operations Committee
